

## International Seminar in Kiev, Ukraine

August 22-30, 2009

### *Embrace Your Sacred Labor*

with Godfre, Gautama Buddha and the Great Divine Director

Each soul has a unique calling or divine plan which includes our sacred labor. The masters tell us that fulfilling our sacred labor is the key to the opening and blossoming of the heart chakra—a vital step on the path of union with our Divine Self.

There's no better proof of the ascended masters' practicality than their teachings on the sacred labor. This six-day retreat offers abundant opportunity to make a deep connection with the divine plan for your soul.

- **Elizabeth Clare Prophet's profound series "Darshan with the Messenger"**  
*Learn about the Guru/chela relationship*
- **Five enlightening dictations**  
*What does it mean to embrace one's sacred labor?*
- **Workshops and hands-on exercises**  
*Tune in to your sacred labor and map out practical steps to put it into action*
- **Novena to the Great Divine Director**  
*Discern and fine-tune your divine plan*
- **Special blessing of the third-eye chakra**

*You absolutely must have your sacred labor and it must be sharpened—  
because by the perfection of that labor of love, and always love,  
illuminated and charged with the will to be, you will make your ascension.*

*Elizabeth Clare Prophet*
